PROFESSIONAL EXPERIENCE

Freelance Illustrator & Graphic Designer Freelance | July 2020 - Present

Working as a freelance illustrator and graphic designer. Recent clients include Urban Innovation Fund and Alarm.com. Some projects include graphic novel cover art, magazine illustrations and various graphic design layouts for personal clients. Artwork has been featured in Imagine FX, TeePublic, among others.

Designer Duarte Design | April 2010 - July 2020

Worked as a presentation designer, helping in communicating stories and sharing ideas. Some work involved designing concepts, story boarding, asset creation, illustration, photo manipulation, and graphic recording. Clients include Google, YouTube, Nike, Apple, Salesforce, Teradata, LinkedIn, among others.

Graphic Artist Activision | June 2008 - November 2009

Worked in the creative services team, designing packaging assets, trade marketing pieces and various graphic work. Most projects involved creating gaming software packaging, POP pieces, and multimedia assets for the Guitar Hero and Call of Duty brands. Gained experience in the video game industry production process and localization.

Graphic Designer EDG Miami | July 2005 - January 2007

Worked in the design and marketing team, creating business and commercial graphics, as well as developing full advertising and marketing packages. Some projects included large scale vehicle vinyl signage, restaurant menus and advertising assets, event flyers and magazine advertising.
